**CIRCULAR.**

OTTAWA,

16th December, 1878.

SIR,—I am directed to transmit to you herewith, for the information of your Government, a printed Circular Dispatch from the Right Honorable the Secretary of State for the Colonies, in reference to certain Colonial Officers in receipt of Imperial Pensions drawing part of their Colonial emoluments by way of gratuity.

I have, &c.,

(Signed)

EDOUARD J. LANGEVIN,

*Under Secretary of State.*

*To His Honor the Lieutenant-Governor  
of British Columbia, Victoria, B. C.*

**CIRCULAR.**

DOWNING STREET,

1st October, 1878.

SIR,—Her Majesty's Government have lately had under their notice a case in which certain Colonial Officers in receipt of Imperial pensions have been permitted by the Colonial Government to draw part of their emoluments by way of gratuity, thus evading the Imperial Law under which, otherwise, these officers would have been subject temporarily at least to a reduction of their pensions.

2. The Lords Commissioners of the Treasury have expressed their very grave reprehension of the course taken in the cases in question; and have pointed out that these officers have been led into a position which, if they had themselves been exclusively responsible for it, would justly have subjected them to the severe penalties which the Law imposes (40-41 Vict., C. 61, Sec. 6, 3rd paragraph).

3. The Law respecting Imperial pensions payable to persons in Colonial Employment is to be gathered from the Acts 4-5 William IV, C. 24, Sec. 20, and 35 Vict. C. 12.

4. It cannot rightly be contended that by calling a certain periodical payment "a gratuity" instead of "salary" any difference is made either in the Law or in the practice of the case.

5. The Lords Commissioners of the Treasury have informed me that in consequence of the irregularity which has occurred in this instance, they have been obliged to consider very seriously whether they can safely continue to allow pensions to be paid out of the United Kingdom. Their Lordships state that they are under no obligation to pay pensions in the Colonies, but, for the convenience of the recipients, they have consented to allow officers in charge of Treasury Chests abroad, to pay pensions and have even made arrangements for the payment of pensions in Colonies where no Treasury Chests exist; but they have pointed out that they will be compelled to

withdraw this privilege altogether if irregularities such as have taken place in the present instance are permitted by Colonial Governments.

6. Although I have no reason to suppose that any similar case has occurred in the Colony under your Government, yet I think it right to address this dispatch to you in common with the Governors of all the other Colonies.

I have, &c.,

(Signed) M. E. HICKS-BEACH.

OTTAWA,  
18th December, 1878.

SIR,—I am directed to transmit to you, for the information of your Government, a printed Circular Despatch from the Right Honorable the Secretary of State for the Colonies with its enclosure respecting the calculation of salaries, &c., for broken periods.

I have, &c.,

DOWNING STREET,  
10th October, 1878.

SIR,—I have the honour to transmit to you the accompanying rules respecting the Calculation of Salaries, &c., for broken periods, and to request that they may be inserted in any volumes of the Colonial Regulations which may be in use in the Colony under your Government, in lieu of the Clause now numbered 360\*.

I have, etc.,

(Signed) M. E. HICKS-BEACH.

*To the Officer administering  
the Government of Canada.*

360.\*—In cases where Salaries, Allowances, or Pensions, chargeable to Imperial Funds, are paid by monthly payments of 1-12th of the annual rates, such payments are to be treated as final settlements—i.e., payments in full—for the periods to which they relate; and in these cases the computation for a broken period of a month is to be made with reference to the number of days in such month;

Thus :—If a salary of £120 per annum is paid by equal monthly payments, falling due at the close of each calendar month, the monthly amount will be £10; and if payment has to be made for a broken period, say to 15th January inclusive, the amount to be paid will be 15-31 of £10.

In cases where Salaries, Allowances, or Pensions are paid by quarterly payments of 1/4th of the annual rates, the computation for the broken period of a quarter is to be made with reference to the number of days in that quarter;

Thus :—If a salary of £120 per annum is paid by quarterly payments, falling due at the close of each calendar quarter, the quarterly amount will be £30; and if payment has to be made for a broken period, say, to 15th January inclusive, the amount to be paid will be 15-90 (in leap year 15-91) of £30.
